

2026 - 2027

G3 Science Term 1

Science Demonstration Video

The Science Demonstration Video worksheet may be submitted by Friday, **25th September** as a draft to your Science Teacher for feedback before recording your video (the worksheet will be handed out by 18th September).

Submission due date for video on Teams Sci. (H.W.) channel:

9th October, 2026 (Friday)

Marks will be deducted for late submissions.

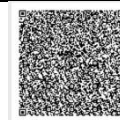

Watch the video (https://youtu.be/Dib54_j3l2M) to learn more about how to upload a video through Teams. **The maximum time allowed for the video is 5 minutes.** Teachers will not mark the part of the video that exceeds the first 5 minutes.

There will be awards at the end of the term to appreciate some outstanding work. These include:

- (1) Most Creatively Presented Award
- (2) Most Interesting Topic Award
- (3) Super Scientist Award

There will be only two awardees from Grade 3 for each category so give it your best shot!

G3 Science Demonstration Video Rubrics

List materials

0 Materials not listed

1 Some materials listed

2 Most materials listed

Go through steps

0 Did not go through steps

1 Went through some steps

2 Went through most steps

Results/observations

0 Did not state any results/observations

1 Partially stated the results/observations

2 Stated the results/observations accurately

Good planning

0 Poor flow for the experiment

0.5 Incomplete/poor flow of experiment

1 Good flow of the experiment from start to finish

Scientific theory

0 No attempt or wrong explanation

0.5 Attempted to explain but with minor errors

1 Explained clearly using keywords or concepts

Communication

0 Poor communication or audience could not understand what was happening

1 Poor communication or setup was not very clear

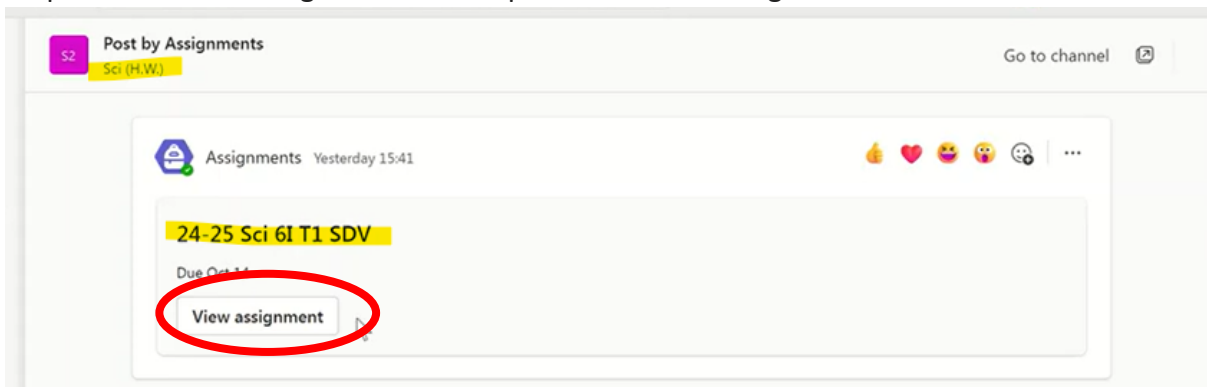

2 Good eye contact, spoken clearly, setups shown

How to upload?

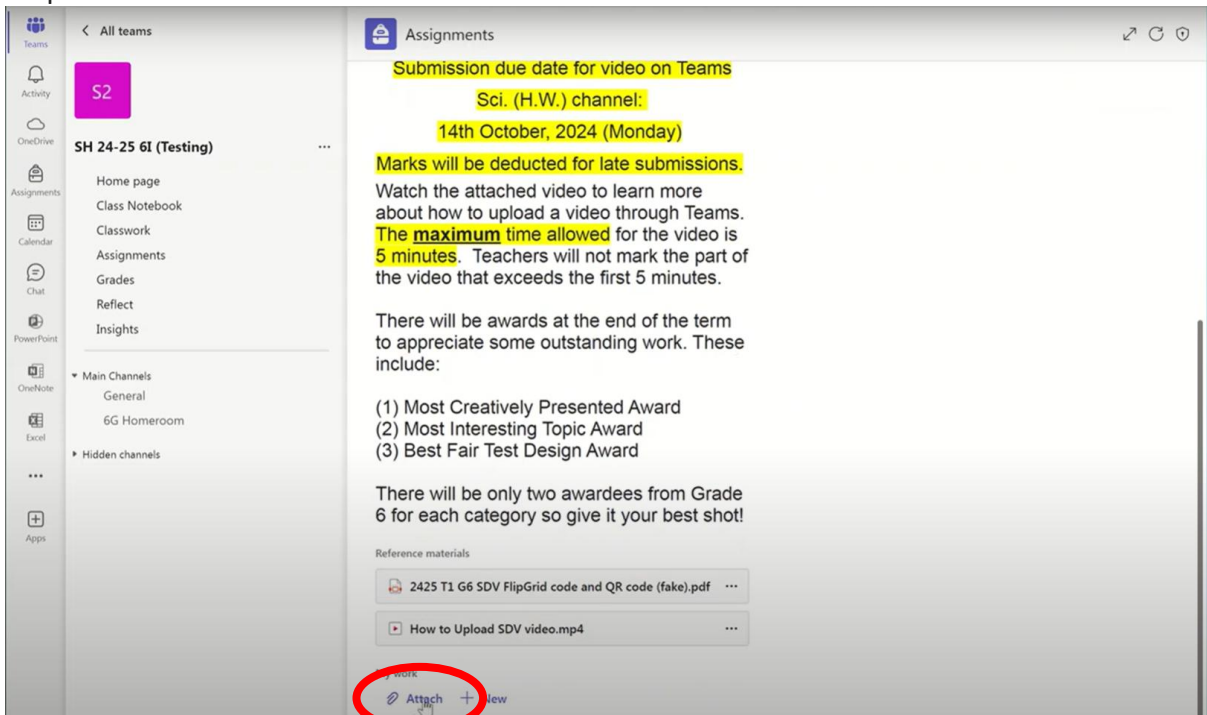

Step 1: Click the link or access the QR code in this PDF file according to your own class.
