| I listed out all the materials.                     |  |  |
| I went through all the steps using the connectives. |  |  |
| I described the results or observations.            |  |  |
| I planned the experiment well.                      |  |  |
| I explained the scientific theory.                  |  |  |
| I communicated effectively.                         |  |  |
