4. **Student Absence Policy**

For the sake of fairness, assessments need to be conducted face-to-face. If students are absent on the day of the SA, please notify the school and homeroom teachers as soon as possible. The following procedure will be applied:

- Make-up assessments will be held on 2 June afternoon, 3 & 4 June 2026 when the student returns to school following sick leave (with medical certificate) or personal leave which has been approved by the School Heads. No online SAs will be arranged.
- If the student is absent for MORE THAN 2 days on assessment dates, no make-up assessments will be arranged.
- If the student is not able to return to school on or before 4 June 2026, the SA will not be made up.

5. **New Student Policy**

- For new G2 students joining SH after 2 March 2026, they may have missed some formative assessments. They will still be required to take the G2 Term 2 Summative Assessment (SA). It is important to note that their academic results will not be ranked. Instead, remarks will be included on their academic report card, indicating that the results solely reflect the students' performance in the summative assessments.
